

OUR MISSION

Our camp opened its doors backs in 2004 with a notion to provide children with health-related needs an environment where they can enjoy themselves past their disabilities. We are a non-profit organization with the best volunteers who will help your child have the time of their life.

WE NEED YOUR HELP

An unforeseen and unfortunate event occurred last spring to our beloved camp. A fire broke loose which caused some heavy damage to the camp grounds. This affected a large amount of our equipment which we need to run our camp activities. We ask for your contribution whether big or small to help obtain enough funds to repair the damages. With your help The Painted Turtle will have a more fun & enjoyable environment for our children. Thank You
For your support.

DONATION

WHY DONATE?
